

CUSTOZA DOC

Grapes are cultivated on small hills with limestone subsoil, south the Lake of Garda.

This particular location and altitude give the wine a delicate minerality, important structure and typical floral fragrances.

Garganega, Trebbiano

DOC

Veneto - Lago di Garda

12 %

8° - 10° C

COLOUR straw yellow with greenish reflections

BOUQUET delicate, fresh, with floral and fruity notes

PALATE softly mineral, slightly sapid, fresh

FOOD PAIRING

It goes well with shellfish, seafood appetizers, or second courses of white fish or white meat. Also try it with a fish poké bowl or sushi.
